RE: ACCREDITATION OF HARVEST INSTITUTE OF COMMERCE (PTY) LTD

Fasset's (SETA for Finance, Accounting, Management Consulting and Other Financial Services) ETQA department makes use of the Quality Assurance Partner (QAP) model, in our interactions with Professional Bodies.

Fasset devolves the process of accreditation but retains the responsibility for verification and certification. QAPs are accredited for a five year period. They are monitored on a yearly basis and audited in their fourth year, with a view to re-accreditation.

In terms of the QAP model, Fasset accredits Professional Bodies with respect to the processes that they use to accredit their tuition providers and workplace providers. As a result, Fasset accepts the Professional Body's accreditation of its tuition providers and workplaces and registers them on our database. Consequently provider accreditation end and start date may differ from qualification to qualification.

In this instance, **Harvest Institute of Commerce (Pty) Ltd** is an accredited provider with the following QAP:

1. **Institute of Certified Bookkeepers (ICB)**, whose accreditation with Fasset is as follows:

- QAP accreditation number QAP/585/003
- Accreditation expiry date 31/03/2020

The **ICB** qualifications for which **Harvest Institute of Commerce (Pty) Ltd** is accredited are the following:

SAQA ID	QUALIFICATION TITLE
23619	Higher Certificate: Office Administration
36213	National Diploma: Technical Financial Accounting
58375	National Certificate: Bookkeeping
48736	National Certificate: Small Business Financial Management
20352	National Certificate: Public Sector Accounting
20353	Diploma: Public Sector Accounting
20366	National Diploma: Financial Accounting

Harvest Institute of Commerce (Pty) Ltd is listed on Fasset's database as an accredited provider as follows:

Accreditation Number	A585000156
Accreditation Start Date	6 June 2014
Accreditation End Date	5 June 2019

Please note that accreditation for QAP qualifications is based on the QAPs rules and thus accreditation could expire before the Fasset date. If the provider is only accredited for QAP qualifications, their expiry dates will stand.

We trust that the information provided is sufficient. Should further information be required, please do not hesitate to contact us.
